

Announcing our 2021-2022 Season

February 18, 2021

TO PRIOR CONCERT ASSOCIATION MEMBERS

SAD NEWS: In spite of our best hopes and efforts, health concerns and continuing COVID 19 state mandates for concerts and other auditorium entertainment events will prevent us from having our "Compressed 2020-2021 Season" from April 15 to July 1, 2021 as we had previously announced.

GOOD NEWS: With the "roll out" of vaccinations that are now "ramping up", we are anticipating that we will be able to safely begin our 2021-2022 Season in late September 2021. Our program coordinator, Linda Leyda, has been able to successfully reschedule previously announced shows for a fantastic (now) 6 Show 2021-2022 Season.

Please see the enclosed flyer that highlights the new coming season schedule.

As a prior Concert Association Member, we are extending to you the opportunity of rejoining the Concert Association as a new member prior to our releasing all available seats to our electronic ticket vendor iTickets.com in June.

Please Note: We are using the same membership pricing for our coming (now) 6 Show 2021-2022 Season as the prior 5 Show Season.

With both The Texas Tenors and Pam Tillis shows in next season's line up we are anticipating a high demand for individual seats for those shows. The last time we had The Texas Tenors we had a capacity sold out crowd.

If you have relatives or friends who are NOT members but would also be interested in becoming a new member for next season, our website includes our schedule of coming shows and previews of all shows. Please take a look and listen.

A New Membership form is enclosed. Additional New Membership Forms for your friends and neighbors can be printed from the Membership/Tickets Tab of our website: crawcocommconcert.com .

We sincerely *THANK YOU* for your past support and hope that you will consider a new membership with the Concert Association as we work through a difficult period and we strive to continue bringing quality family friendly entertainment to Crawford County and North Central Ohio!
